PREFACE.

In presenting this, our second issue of the *Norfolk and Portsmouth Directory*, we hope we have supplied a want long felt by the citizens, and trust they will overlook any errors or discrepancies we may have committed. We have done our best to make the work complete and accurate in all its departments, but we do not claim that it is altogether free from errors, as there are many classes to contend with in collecting the information for a publication of this kind, and no matter how great the experience of the compiler, a few errors are unavoidable. The *Norfolk* portion of the work contains, including *Berkley, Atlantic City* and *Brambleton*, 7,128 individual names—an increase of at least 1,140 over the last publication. Multiplying the total number by 4, the ratio used for a similar purpose in New York and other cities, would give Norfolk, including the above-named suburban towns, a population of 28,512. Of the total number of names 4,532 are white, and 2,596 colored. The *Portsmouth Directory* contains 2,896 names, which, multiplied by the same figure, would give Portsmouth a population of 11,584; of the 2,896 names, 2,131 are white, and 765 colored. Knowing that our work will compare favorably with publications of a similar kind throughout the country, it is our intention to publish it every eighteen months. With the experience gained by previous publications, we can assure our patrons that our future issue will be an improvement upon what we have already done, and we shall be thankful to any friends who will take the trouble to point out any errors they may discover, or to suggest where improvements may be added or made. We return our sincere thanks to all who have aided us by furnishing the necessary information, and trust that our humble efforts in the future may meet with the same liberal patronage heretofore extended.

Respectfully, etc.,

SHERIFF & CO.,

JACOB REDDICK,
BARBER!
Under Atlantic Hotel, Norfolk.

I beg to inform my customers and the public generally, that I have removed from No. 47 Bank Street, and have taken the

Barber's Room of the Atlantic Hotel.

My room is neatly and elegantly furnished, and I have every facility for conducting my business in all its branches. This is, perhaps, the most convenient location in the city for gentlemen living in the western part.

No pains will be spared to please those who may favor me with their custom. Special attention will be given to cleanliness, and all diseases of the skin will be strictly and scrupulously guarded against.

The patronage of the public is respectfully solicited.

TRAVEL

RICHMOND, VA., APRIL, 1875.

The undersigned respectfully begs leave to call the attention of the traveling public to the new and handsomely furnished

ST. JAMES HOTEL,

pleasantly located on Twelfth Street, facing Bank Street and the Capitol Square.

In the centre of the business portion of the city, within one square of the Post Office and Custom House, it is, by its retired location opposite the Southeast corner of the beautiful park surrounding the Capitol of Virginia, the most quiet Hotel in Richmond.

The Proprietor having had a life-long experience in hotel business—first at the Everett House, New York, and afterwards as Proprietor of the Spotswood Hotel, Richmond, in its best days, and now assisted by

MR. JOHN P. BALLARD,

the popular Veteran Hotel Keeper of Virginia, assures visitors of the ST. JAMES that no effort on his part will be spared to make them comfortable and to keep the house in first-class style.

Coaches will attend the arrival of all trains. Elegant Carriages are at all times at the service of the traveling public.

T. W. HOENNIGER, Proprietor.
